

Birmingham Holiday Activities: Easter Programme 2021

Date: 22.03.21

Information for Parents/Guardians/Carers

Birmingham Holiday Activities Programme - Easter Holiday Provision 2021

We are pleased to outline details of the virtual Easter holidays activities 2021. School aged children are invited to join the Birmingham Holiday Activities Programme.

The programme will be delivered virtually through a web-portal which will host a range of activities for your child/children to take part in online or at home.

The programme will include live streams of activity and play sessions, sports coaching sessions, downloadable resources and activity cards, arts and craft activities, food and nutrition advice, cook at home ideas and recipes, along with activities focusing on wellbeing, physical activity and nutrition.

To access this web-portal, you simply need to visit www.BHAP.co.uk at the start of the Easter holidays.

You will be asked to enter a code which is: **BHAP21**

This will help us track the numbers of children and young people accessing activities via the portal.

You will also have the option to sign up to the Birmingham Holiday Activities Programme distribution network where we will be able to share information with you about what is being planned for the summer.

We hope you and your child/children enjoy the Easter break and the activities provided.

Kind Regards

Holiday Activities
