

ENGLISH

This term the children will be exploring the story of 'The Chocolate Monster' by Pip Jones. They will be looking at how to write narratives with a repeated pattern. The children will also be studying the story 'Beegu' by Alexis Deacon. They will look at writing an instructional text using this story. In phonics, the children will continue learning alternative sounds for known digraphs allowing them to develop their phonics knowledge. They will also continue to develop their prediction and retrieval skills through reading levelled texts.

HUMANITIES

Children will continue to look at the 1950s this term. They will be thinking about what aspects of life has changed and what has remained the same, giving evidence and reasons to support this. This term, children will also learn about Queen Elizabeth II and her coronation. The children will understand the significance of this historical event in British history and its importance today.

SCIENCE

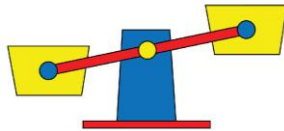

This term the children will be exploring the 'human senses'. They will learn that humans are a type of animal known as a mammal. They will be naming and counting body parts, as well as identifying similarities and differences. Children will learn about the senses and the body parts associated with each sense, and their role in keeping us safe.

YEAR 1 AUTUMN TERM 2

+ - MATHS

This term children will be looking at addition and subtraction within 10. They will be using their knowledge of number bonds within 10 to support this. Children will also be exploring measurement. They will be sorting, and comparing amounts, size, mass and capacity.

ART & DESIGN

In Art, the topic for this term is 'Shade and Shelter'. Children will learn about the purpose of shelters and their materials. They will name and describe shelters. The children will then design and build a play den and evaluate their completed product.

COMPUTING

The topic for this term is 'Digital Painting.' Children will develop their understanding of a range of tools used for digital painting. They will use these tools to create their own digital paintings, while gaining inspiration from a range of artists' work.

P.E

This term, the children will be learning a range of dance techniques listening to a beat and creating dance moves to respond to the music. Alongside this they will be learning the fundamentals of PE.

MUSIC

This term the children will be learning two different genre songs. They will be exploring Hip-Hop and Reggae.

RE AND PSHE

In RE, children will be learning about being modest and listening and caring for others. In PSHE, children will be exploring the special people in their lives.
