

ENGLISH

This term the children will be exploring the story of 'The Three Little Pigs.' They will be looking at how to write short narratives and practice sequencing sentences. The children will also be writing non chronological reports. They will be focusing on correctly using capital letters, full stops and proper nouns in their writing.

In phonics, we will be following Essential letters and Sounds and learning phase 5. We will also be developing our skills of prediction and retrieval through reading of levelled texts.

HUMANITIES

This term children will be looking at 'Childhood.' The children will learn about everyday life and families today by taking about their own families and their own experiences. They will investigate similarities and differences between their childhood and the 1950s. We will be using artefacts and a range of different sources to make these comparisons.

Heathfield
PRIMARY SCHOOL

SCIENCE

This term children will learn that objects are made from materials. They will be exploring and identifying a range of everyday materials and their sources. Children will be investigating the properties of materials and sort them into groups based on these properties. They will also begin to recognise that a material's properties define its use.

MATHS

This term children will be looking at number and place value within 20. They will learn how to count forwards and backwards between 1 and 20. They will learn to identify one more and one less from a given number.

YEAR 1 AUTUMN TERM 1

ART & DESIGN

In Art, the topic for this term is 'Mix It.' Children will learn about basic colour theory through using the colour wheel and colour mixing. They will explore primary colours and secondary colours.

COMPUTING

The topic for this term is 'Technology Around Us.' Children will develop their understanding of technology and how it can help them in their everyday lives. They will look at different components of a computer and developing their keyboard and mouse skills.

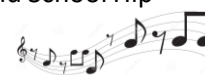

P.E

This term, the children will be learning a range of dance techniques listening to a beat and creating dance moves to respond to the music. Alongside this they will be learning the fundamentals of PE.

MUSIC

This term the children will be learning two different genre songs. They will be exploring Old School Hip-Hop and Reggae.

RE AND PSHE

In RE, children will be exploring what makes a good friend and why.

In PSHE, children will learn about aspects of identity shown in their family, community and the choices they make.
