

ENGLISH

This term the children will be exploring the story 'My Monster and Me.' They will be using the story to write a character description using interesting sentences with adjectives and the conjunction 'and'. The children will also be exploring the story 'The Jolly Christmas Postman.' They will be learning about the features of a letter and writing their very own exciting letters to Santa! The children will focus on their letter formation, capital letters, finger spaces and full stops.

HUMANITIES

This term the children will be learning to use world maps, atlases and globes to identify the seven continents of the world. They will be identifying the smallest and largest continents and oceans. The children will also be discovering which continent and ocean is nearest to where they live. The children will be using the virtual reality headsets to discover the habitants of the seas to imagine what it would be like to be there.

Heathfield
PRIMARY SCHOOL

SCIENCE AND DT

This term the children will be learning to understand the difference between an object and the material from which it is made. They will identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock. Then the children will investigate what the most suitable material is to make a puppy's bedding.

MATHS

This term the children will be learning to order objects and numbers. They will use vocabulary such as 'greater than, fewer than, equal to and more than'. Then they will focus on ordinal numbers. The children will also identify the addition symbol and use the part-whole model to work out the fact families to 10. This will support them in learning their number bonds to 10.

YEAR 1 AUTUMN TERM 1.2

ART

This term the children will be focusing on the artist Roy Lichtenstein. They will learn to observe an object, look at its shape, marks and features and then draw a picture using different techniques and tools. Some of the techniques we will be focusing on are: hatching, scribbling, stippling and shading.

PE

This term, the children will be exploring team building and how to effectively work as a team. The children will also be exploring the fundamentals of PE and how to avoid obstacles when running, jogging and skipping. In Year 1, the children will need to come to school dressed in their correct PE uniforms every Monday and Tuesday.

RE AND PSHE

This term the children will be learning about people who identify themselves belonging to their family and God. They will identify how religious beliefs can have an effect on what they do and feel. They will also learn about religious festivals such as Christmas and Diwali.
