

ENGLISH

This term the children will be reading 'Rama and Sita'. We will focus on character descriptions and writing instructions using imperative verbs. We will continue using conjunctions 'and/because' and revisiting the use of capital letters and full stops. The children will then read 'The magic & mystery of Trees'. They will learn amazing facts about trees and create their own information text using the key features of this writing genre.

HUMANITIES

This half term the children will be focusing on the geography topic called: The UK and its place in the world. The children will learn about which countries make up the UK. They will use maps to locate and identify information about the names of countries and capital cities. They will also develop their understanding of atlases and map symbols that could be used.

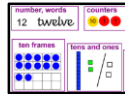

SCIENCE AND D.T

This term the children will be carrying out a Stemterprise project 'Making Pizzas'. The children will work in groups to complete a range of cross-curricular tasks in order to grow their own ingredients, develop their own food flag pizza products, set up a pizzeria business and practise using money in a real life context.

MATHS

This term the children will focus on the topic number. This will include: revisiting times tables, number bonds, checking calculations, adding a one digit number to a two digit number as well as subtracting a one digit number from a two digit number. They will be using concrete materials to represent their calculations and consider doing the same pictorially. Eventually, pupils will apply their learning to questions independently.

YEAR 2 AUTUMN TERM 1-2

THE ARTS

This term the children will develop their sketching skills based on the art of Maria Sibylla Merian. She illustrated plants and insects using her observational skills. The children will similarly create their own observational sketching of plants and creatures.

COMPUTING

This term the children will continue to learn about how to stay safe online and the rules we should follow. We will also be learning about how to use Microsoft Publisher and the skills involved in using it effectively. The children will understand how to be a good digital citizen. They will develop opening, saving and editing skills.

P.E

This term the children will be taking part in our PE topics: team building, dance and fitness. They will explore various skills in all of these topics and develop their strength, balance and co-ordination.

MUSIC

In Music, the children will learn how to sing the 'Ho Ho Ho' song in time for Christmas.

RE AND PSHE

This term in RE, we will be focusing on how we can be thankful and caring. In PSHE, we will be focusing on bullying and how to overcome these kind of issues.
