

## ENGLISH

This half term the children will continue reading *Pig Heart Boy* by Malorie Blackman. They will be applying their reading skills (mostly retrieval, inference, prediction and summary) through comprehension activities. In writing, we will be developing our writing skills through the context of a balanced argument and narrative. We will also routinely work on relevant grammar and punctuation.

## HUMANITIES

The children will consider the impact of WW2 on not just Britain but the entire world. They will focus on the countries that constitute to the make up of the commonwealth. They will explore how the commonwealth was formed, its impact and how it still exists today. They will create chronological reports of events that took place and compare them to British history. The children will also develop their historical vocabulary of this topic and use it in their interpretations.

**Heathfield**  
PRIMARY SCHOOL

## SCIENCE AND D.T

This half term the children will be learning about LIGHT. They will use the idea that light travels in straight lines to explain that objects are seen because they can give out or reflect light into the eye.

## MATHS

This half term, the children will be reviewing their knowledge of decimals and percentages and discovering the importance of understanding the relationship between fractions, decimals and percentages. They will continue to look at reasoning and problem solving questions as well as working on raw maths and fluency. They will prepare for the SATs tests in May by practising test style questions.

## YEAR 6 SPRING TERM 2.1

## THE ARTS

This term the children will be learning about how they can make their observational drawings realistic. They will be inspired by the work of Leonardo Da Vinci.

## P.E

This term the children will be learning about dodgeball. They should wear their full PE uniform to school on their day.

6M - Mondays  
6W - Tuesdays

## MUSIC

All the learning for this half term is focused on 'A New Year Carol' and the children will be using the glockenspiels to play the song. This is a six-week unit of work that builds on previous learning.

## RE AND PSHE

In RE, children will be recognising important people, places, and religious and non-religious events as well as learning about courage from Christian and Sikh stories.

In PHSE, children will continue learning about healthy bodies.
