

ENGLISH

This half term our text will be Planet Omar by Zanib Mian.

We will be learning to write character descriptions and exploring stories with cultural differences.

HUMANITIES

This term the children will explore what happened in the past that led to a generation of people to be called the 'Windrush generation'.

They will explore pictures and evidence from books about this period in time. They will identify where on the timeline this happened and make comparisons to other events that may have been happening in our community at the time.

SCIENCE AND D.T

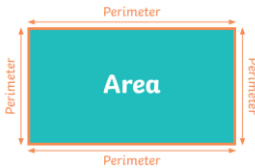

This half term we will be learning about sound. Children will learn how sound is made through vibrations, and how they travel to our ear. We will explore how sounds get fainter the further they have to travel to get to our ear.

MATHS

Year 4 will be continuing with multiplication and division.

We will then be moving onto learning how to measure and calculate area.

YEAR 4 SPRING TERM 2.1

THE ARTS

We will be learning how to paint in the style of artists Tam Joseph and Winston Branch. They will learn to select and use appropriate colours, as well as experiment with different mark making techniques using paint.

P.E.

This half term children will be developing their problem solving skills in PE. They will learn to be inclusive of others and work collaboratively to overcome challenges. We will learn to orientate a map, identify key symbols and follow routes.

COMPUTING

This half term we will be learning to create graphical drawings of landscapes using the iPads and apple pencils. Children will learn how to draw from different points of view using the different tools available on the iPad.

RE AND PSHE

This term in PSHE we are focusing on health and wellbeing, focusing on our mental health.

In RE we will learning about Sikhism and Islam.

MUSIC

In music the children will continue to learn to play their Nuvo Doods with the specialist music teacher; Ms Tiso.
