

# ENGLISH

This term the children will be using our text – ‘The Bear and the Piano’ to develop their reading and writing skills. The skills will include: capital letters and full stops, the use of adjectives to describe a setting/ character. They will be developing their understanding and use of the co-ordinating conjunction ‘and’. In reading, the children will develop their understanding of new vocabulary and use simple retrieval.

# HUMANITIES

This term the children will be learning about the Civil Rights Activist Ruby Bridges. They will learn about her story and the different challenges she faced in the name of equal rights. They will use secondary resources to make comparisons to civil right activists and why their actions had an impact on society as we know it to be today.

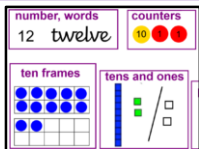

# SCIENCE AND D.T

This term the children will be learning about and investigating properties of materials. They will investigate, plan, test and then evaluate their findings. The children will also explore man-made and natural materials using their senses.

# MATHS

This term the children will focus on the topic of place value and number: This will include: counting objects up to 100, writing numbers in words and digits up to 100, sequencing numbers, identifying the value of the digit in a number and recognising the place value of each digit in a two digit number. They will also, represent numbers in different ways – practically and pictorially.

# YEAR 2 AUTUMN TERM 1

# THE ARTS

This term the children will be learning about the use of recyclable materials to create art. The artist who will inspire our work is Michelle Reader. The children will consider the process of designing, making and evaluating their sculptures.

# COMPUTING

This term the children will continue to learn about how to stay safe online and the rules we should follow. We will also be learning about how to use Microsoft Publisher and the skills involved in using it effectively. The children will understand how to be a good digital citizen. They will develop opening, saving and editing skills.

# P.E

This term the children will be taking part in our PE topics: fundamentals and dance. They will explore various skills in both of these topics and develop their strength, balance and co-ordination.

# MUSIC

In Music, the children will learn about rhythm and pulse. They will learn to play an instrument called the glockenspiel.

# RE AND PSHE

This term in RE, we will be focusing on how we are special and different from others around us. In PSHE, we will think about ourselves and recognise what we are good at.
