

ENGLISH

This term the children will be reading the story 'Chocolate Monster'. We will be writing informal letters and stories. They will use story language and pronouns to make links. The children will continue focusing on their sentence structure.

We will continue practising handwriting using pre-cursive letter formation. The children will explore the book 'Chapatti Moon'.

They will be writing instructions on how to make their very own chapattis.

MATHS

This term the children will be learning about multiplication and division. They will be counting in 10s, making equal groups and adding equal groups. They will use a range of concrete objects and numbers to make and add equal groups.

The children will explore fractions and learn how to find a half. They will use concrete apparatus to half different amounts. The children will use the concept of sharing to split the quantity into two equal parts.

PE

This term, the children will be exploring their dance skills. The children will be expressing themselves through movement. They will perform this at the MAC. The children will be participating in the Commonwealth Games. They will be learning how to play invasion games.

HUMANITIES

This term the children will learn about a special event 'The Great Fire of London'. The children will learn about the importance of the event. They will explore when it occurred, beyond their living memory and how it is significant nationally and globally. The children will learn about how 'The Great Fire of London' started, how it spread so fast and how it ended. The children will also compare the fire safety of the past and present.

YEAR 1 SUMMER TERM 3.1

ART AND D & T

This term the children will be completing a design and technology project. They will be exploring a range of healthy fruits and vegetables. The children will learn where fruits and vegetables grow. They will learn how to use a knife safely to cut fruits and vegetables and make their own healthy smoothies.

MUSIC

This term the children will be learning the song 'Round and Round'. The children will be consolidating their learning of using glockenspiels.

Heathfield
PRIMARY SCHOOL

SCIENCE

This term the children will be learning about trees. They will explore the terminology 'deciduous' and 'evergreen'. We will be visiting Handsworth Park and the school grounds to identify and observe the similarities and difference between a range of trees. The children will discuss how the trees change during different seasons. They will be identifying why these changes happen and how they help trees survive.

COMPUTING

This term the children will learn how to use word art to express meaning. They will be learning to use an apple iBook called 'Everyone Can Create.' The children will practise how to draw simple lines and patterns, use a variety of strategies to draw block letters and explore using the pen and brush tool.

RE AND PSHE

This term in RE the children will be learning about belonging to special places, people and events. They will also learn about what followers of Islam look forward to. In PSHE, the children will learn about people who help us to keep safe.
