

ENGLISH

In reading children will be looking at a non-fiction text called Coasts (Let's Explore Britain). The focus of reading lessons will be vocabulary and word reading skills. They will be recapping retrieval skills using the texts and answering a variety of question. They will then learn how to use strategies to read harder words and learn how to decode what the word means. In writing, they will be learning to write for effect a character description, narrative and poem.

HUMANITIES

This term children will learn continue to learn about the 'Coastline'. They will be looking the coastal town of Whitby. The children will learn about Whitby's coastal jobs in the past including shipbuilders, factory workers, jet workers, fishermen and herring girl's. they will learn about famous captain James Cook and his impact in the world, building on knowledge learned in our 'movers and Shakers' topic.

Heathfield
PRIMARY SCHOOL

SCIENCE

This term children will learn all about 'Plant Survival'. This project teaches children about the growth of plants from seeds and bulbs. They observe the growth of plants firsthand, recording changes over time and identifying what plants need to grow and stay healthy.

MATHS

This term children will learn how to add and subtract two-digit numbers efficiently. They will learn how to partition numbers to help them add and subtract numbers. They will then move onto fractions, learning how to find $\frac{1}{2}$, $\frac{1}{3}$, and $\frac{1}{4}$ of objects, shapes and amounts. Please remember to keep practicing their 2, 5 and 10 times tables at home. NumBots will help – the login is in their planners.

YEAR SPRING TERM 2

DESIGN AND TECHNOLOGY

Our project this term is 'Beach Hut'. They children will learn how to work with wood materials to design and make a beach hut. This project teaches children about making and strengthening structures, including different ways of joining materials.

COMPUTING

This term children will use technology purposefully to create, organise, store and retrieve digital content (photographs). They will be looking at the photography work of Cyril Le Van and try to recreate photography in his style.

P.E

This term children are starting their gymnastics topic. They will be learning how to jump, leap, turn and some basic tumbling passes.

MUSIC

This term, will be looking at rock music and the song 'I Wanna Be In A Band'. They will sing, play recorders, improvise and compose.

RE AND PSHE

In RE,. this term children will learn about creating unity and harmony as well as caring for others, animals and the environment. Also, what it mean to be merciful and forgiving. In PSHE, children will learn how to keep safe and what to do when we do not feel safe. They will identify trusted people in their personal safety circle and how to navigate unsafe situations.
