

ENGLISH

This term the class text will be finishing off 'Wolf Wilder' by Katherine Rundell and starting 'Letters from the Lighthouse' by Emma Carroll. They will be the inspiration for our writing of letters, balanced arguments and poetry. Children will fully understand the purpose of the genre they are writing and the skills they need to use to create the relevant impact on the reader.

In reading, we will be focusing on embedding inference, retrieval and vocabulary in preparation for their SATs tests this half term. .

HUMANITIES

In this history project is called 'Britain at War' and will be for the whole of Summer Term. In this half term we will be teaching the children about the causes, events and consequences of the First World War. There will be a focus on those who volunteered in the war, what life was like in the trenches and weaponry.

Heathfield
PRIMARY SCHOOL

SCIENCE

This term, children will looking at the topic 'Light Theory'. This project teaches children about the way that light behaves, travelling in straight lines from a source or reflector, into the eye. They explore how we see light and colours, and phenomena associated with light, including shadows, reflections and refraction.

MATHS

This half term, children will be going over the key aspects covered in their SATs maths exam in preparation. These are addition and subtraction; algebra; fractions, decimals and percentages; fractions (equivalent, adding, subtracting, improper and mixed); geometry (properties of shapes, position and movement); measurement (metric units, area, perimeter, time and roman numerals); multiplication and division; number and place value; ratio and proportion; and statistics.

YEAR 6 SUMMER TERM 1

ART

This term, they will be studying a project called 'Bees, Beetles and Butterflies'. This project teaches children about sketchbooks, observational drawing, mixed media collage and Pop Art. They consolidate their learning to make a final piece of artwork inspired by bees, beetles or butterflies.

COMPUTING

This term, children will be using Spheros to complete a chariot challenge. They will design and build a chariot. They will then use simple block code to move the Sphero and to identify any errors in their code and debug them. They will also identify the impact of speed and time when programming.

P.E

This term, children will be developing their tennis skills such as a forehand, backhand, volley and underarm serve. Pupils develop their tactical awareness including how to play with a partner and against another pair.

MUSIC

This term children will be looking at 'You've Got A Friend' by Carole King. They will learn to sing, improve by using their voice and instruments. They will then compose their own music using instruments.

RE AND PSHE

This term in PSHE the children will learn about what will change as they become more independent and how their friendships will change as they grow. In RE, we will be looking at the dispositions: Expressing Joy (where they focus on Eid ul Fitr and Eid ul Adha) and Appreciating Beauty (The Lord's Prayer).
