### Connected by Maariya Khan, 6W

Connected, united we have to stay, apart, alone at home all day.

Only 2 metres away so why does it feel like 200 today?

Hearts aching, eyes streaming we console and get consoled over the games console.

Never alone, always apart, staying at home, that's how we play our part.

Ever loving, virtual hugging, meme sharing, heart wrenching loneliness.

Can you feel my pain? Can you hear my tears, the rain splashing against the window pane?

The only way to save a life, stay at home, please be nice.

Enduring this together, we've never needed each other now more than ever.

Don't go out, save a life, sit on the couch, it's what this is all about!

### Headteacher's message...

Dear Parents and Carers,

I hope that you and your families are well. We are now entering a new phase and will be welcoming back some children from Year 1, Year 6, key-worker and nurture groups.

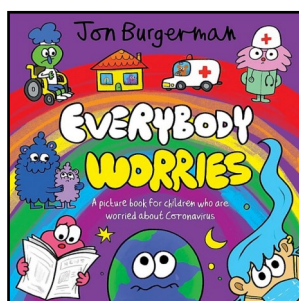

As Mr Gulzar said in his letter dated 3rd June, this has been a very challenging time for all and we will be looking closely at the procedures that we have put in place to ensure that school is as safe as possible. Regular reviews of our risk assessments will take place and they will help us make the decision as to whether we will be able to open more widely.

For those children remaining at home, home learning will continue as usual, but I would ask you to be mindful that some teachers will now be in school full time and therefore not be able to be online during the day to answer messages. If your child's teacher is in school, they will let the children know via Class Dojo so please look out for that message.

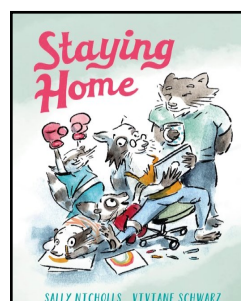

I look forward to seeing some of you soon,

**Mrs Atherton**
