

# COMMUNICATION AND LANGUAGE

- As a fun reading activity, can you make an exciting adventure story in your head and retell it to someone in your family?
- Can you watch and listen to a story on YouTube with your grownups. Talk to your grownups about 'who' the characters are, 'where' the story is taken place and 'what' happened in the story. You can access a range of stories by typing 'children's stories' on YouTube.

# UNDERSTANDING OF THE WORLD

- Can you use your knowledge of planting that you learned from nursery to plant your favourite flower or herbs.
- Can you and your grownup go on a short trip to the local shop and see which fruits/ vegetables you can spot and name.

# MATHS

- This term the children will be focusing on finding numbers in the environment when visiting places with their grownups. I.e. door numbers, street signs, price on shopping items.
- Lay down in your garden with your grownup/sibling/friend. What shapes can you see in your environment?
- Can you make an ABAB pattern with fruit?

# LITERACY

- Can you watch 'The Toddler Club' on Cbeebies with your grownups
- for ideas of mark making.

- Go for a long walk and collect some leaves, twigs, pebbles and make a piece of wild art or a bug hotel for the mini beasts you learned about in nursery.
- Make shadow puppets when the sun is out. Can you do a show for someone? It could be one of the characters from the book you learned about in nursery

# PSED

- Children will be having a conversation with their grownups about their transition to their new class and express how they feel.
- Look at yourself in the mirror. See if you can make an angry, sad, happy, excited, surprised and shocked face.

# P.E

- Can you and a partner (grownup) make a dance routine to your favourite song?
- You can go to the park and enjoy your time exploring the climbing frame. See how far and high you can go. Remember to be courageous!
