

WRITING

The teachers are extremely excited to meet the children in September. Create an 'All About Me' poster. Think about what you would like your teacher to know about you.

The children can practise pre cursive handwriting on LetterJoin. All children have log in details in their planners.

<https://www.letterjoin.co.uk/>

How many words can the children spell correctly using their phonics knowledge?

<https://www.spellingshed.com/en-gb/>

Practise reading and writing Reception and Year 1 high frequency words. These words can also be found in the children's planners.

Writing competition!

Write a poem about summer! Try and use rhyming words and adjectives to describe what you can see and find during the summer.

READING

The children have access to Oxford Owl, which has a range of amazing levelled books. Log in details can be found in their planners.

Challenge: Can you draw and label a story map of the books you have read?

<https://www.oxfordowl.co.uk/login?active-tab=parents>

How many words can the children read using their phase 2 and 3 phonics knowledge in 2 minutes?

<https://www.phonicsplay.co.uk/>

YEAR 1 SUMMER LEARNING 2022

FUN ACTIVITIES

Visit the local library and make a library card!
Write a book review for your favourite book!

Make some yummy shortbread biscuits using the correct measurements. Can you write the instructions on how to make shortbread biscuits?
https://www.bbc.co.uk/food/recipes/katys_shortbread_35940

Create your own tricky word game. There are lots of simple ideas in the link below.
<http://www.beechwoodprimary.org/page/tricky-words-high-frequency-words/91001>

WIDER CURRICULUM

Go for a walk in the park. Try and find as many different types of flowers and trees. Why not do some observational drawings and label the plant.

Can you make a model of the wooden houses found during The Great Fire of London?

MATHS

Fractions of shapes

Find things you can cut into halves and quarters, e.g a pizza, a cake, an apple.

Link to video on fractions of shapes:

Number bonds to 10

Practise your number bonds to 10 by playing the 'Total of 10' card game.

Can you think of any new rules for playing this game?
