

WRITING

The teachers are extremely excited to meet the children in September. Why not ask the children to write a letter or postcard to tell their teachers all about themselves and what they are looking forward to doing in Year 2. What would you like to ask your new teacher?

The children can practise cursive handwriting on LetterJoin. All children have log in details in their planners.

<https://www.letterjoin.co.uk/>

How many words can you spell correctly using your phonics knowledge?

<https://www.spellingshed.com/en-gb/>

Practise reading and writing Year 1 and 2 high frequency words. These words can also be found in the children's planners.

Writing competition!

Start the holidays by entering a fantastic writing competition. Winners will have their story read aloud on Cloudaloud by a professional narrator.

<https://cloudaloud.co.uk/writing-competition/>

Don't miss out!

Closing date:
20th July 2022

READING

The children have access to Oxford Owl, which has a range of amazing levelled books. Log in details can be found in their planners.

Challenge: Can the children answer all the comprehension questions after they have finished reading the book?

<https://www.oxfordowl.co.uk/login?active-tab=parents>

Write a book review of your favourite book or create a story map to share with your family and friends.

YEAR 1 SUMMER LEARNING 2022

FUN ACTIVITIES

Visit the local library and make a library card! How many different types of books can you find in the library?

Create a summer scavenger hunt and complete it with siblings or friends!

<https://www.goodhousekeeping.com/life/parenting/g32050844/scavenger-hunt-ideas-for-kids/>

Create a time capsule using a plastic water bottle. Add all the memories created during the holidays and share them with your new teachers!

WIDER CURRICULUM

Create a map of somewhere exciting you have visited during the holidays. Don't forget to add a key to your map! How many physical features and human features can you spot?

Take part in the don't melt the ice challenge. Can you record your findings in a table?

<https://frugalfun4boys.com/ice-melting-science-experiment/>

MATHS

Addition facts

Choose 5 addition facts from the grid on the next page to practise each day.

Start by practising the green and blue facts first. Spend 5 minutes each day practising your number bonds to 10 and to 20.

Link to a website for practising your number bonds:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Maths Games

Choose a maths game to play each day. Have a go at inventing your own maths game.
